## Principal's Report

**Welcome** to Week 9 where our Key Value focus for this week is 'Being Proud'. This value focuses on Respect— respecting everyone and everything including yourself. We encourage you to discuss at home what this looks like in real terms so that we all Be Proud of ourselves and our achievements, no matter how big or small.

**This** week is again a busy week and it includes our **Year 6 Graduation** night. It is a night that celebrates our Year 6 student achievements over their time at Dareton Public School and acknowledges closure on one part of their school life. We wish them all a wonderful night of fun, formality and frivolity.

**Cyber Safety**— Our Year 6 students have been invited to participate in a Cyber Safety session with internationally acclaimed specialist Susan McLean on Wednesday morning. The session will centre around how they can safely use the internet and social media. A FREE parent/carer information session will also be available at Coomealla High School from 3.30pm—5pm. Many thanks to Coomealla HS and Principal Jo Scott for inviting our school and parents to what will be most informative sessions.

**2016 Kinder Enrolments**— If you have a child or know of a child who will be enrolling in our school for next year's Kinder class (or any other class) please contact our School Office for an 'Application to Enrol'. An information session will be held in the K/1 (Kangas) classroom on Wednesday 9th December at 3.00pm. Parents of our 2016 Kinder children are most welcome to attend.

**Kinder Orientation Day—Wednesday 9th December—9am—3pm.** All 2016 Kinder children are invited to attend our School and join with Ms Gold and Lisa Andrews for an Orientation Day. Invitations will be sent to all parents of our 2016 Kinders.

**Support Classes High School Transition—Wednesday 2nd December.** The last of our High School transition days will be this Wednesday. Students in the Support Classes will be attending for the full day (9am—3.15pm) and need to get themselves to and from the school as they will in 2016. We thank Mrs Scott and Ms Shoobridge for the great effort they have done to support our Year 6 students with the Transition to High School Program.

# Kinder / Year 1

*Last Friday K/1 went across to the netball courts at George Gordan Oval. Students participated in many ball activities to refine their ball handling skills.*

*Following the ball drills the students participated in some modified games. It was great to see students remaining positive even when they didn't win.*

## Term 4 - Week 9

*Students have enjoyed using the iPADS to support literacy and numeracy development. I have been impressed with their skills and how well they share the iPADS during group time.*
