## Principal's Notes

**Welcome** to week 7 where this week we are strongly encouraging all our students to follow our Key Value of: 'Being Safe - In work and play'. In anticipation, we thank you as a staff for discussing our Key Value with your child/ren.

**Schools as Community Centre (SaCC) Facilitator Position.** I am pleased to announce that the Position of SaCC Facilitator has been advertised on the 'I Work for NSW' (formerly JobsNSW) site: <http://iworkfor.nsw.gov.au/job/schools-as-community-centre-sacc-facilitator-52893>. The position is a 28 hour/week standard hours part-time position and is from 27.01.2017 - 27.01.2019. I am happy to discuss the position with those interested. Applications must be on-line and close 1st December.

**Instructional Leader.** Congratulations to Ms Robson who was successful in gaining our three-day per week Instructional Leader position. This position is part of the Early Action for Success State-wide initiative. Ms Robson commences in her new position from Term 1, 2017.

**Safety.** We are encouraging all children to slip-slop-slap and wear a hat this term as part of our Sun-Safety School initiative. We ask that you support our policy and encourage your child to not only wear a hat at school, but when outside playing.

Bike Helmets should also be worn when children are riding their bikes or scooters. Again we look forward to your support in discussing with your child/ren the need to wear a helmet when out riding.

**School Exursions this week.** Goannas and Murray Cod classes are going to Mildura for the Special Forever Excursion on Tuesday and Kangas and Emu classes are going on Wednesday morning. Please ensure all notes are returned as we would like all children to enjoy this wonderful opportunity. Lunch will be provided to all students attending plus a Reward Treat is included. We hope all students have a wonderful day and ask they wear their school uniform specially for their day out.

Enjoy a wonderful week and remember to contact me should you wish to discuss any aspect of your child's schooling.

# Kinder / Year 1 - Kanga Room

## Term 4 - Week 7

During Sport each Friday K/1 students have been participating and learning the skills and safety involved with modified T'Ball.

I have been most impressed with each students participation level and willingness to have a go! Well done, K/1 Kanga Room!

Your accuracy when fielding a ball and striking a ball have certainly shown an improvement.

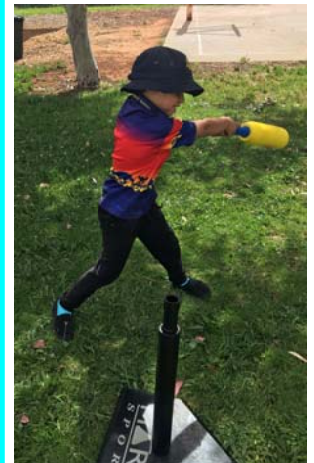

I'm looking extremely forward to our excursion this Wednesday.

Please assist by returning the permission note and money as soon as possible.

Please make sure your child is wearing our school uniform and comfortable shoes.

I will not be at school tomorrow but will return on Wednesday ready for our special forever and park excursion.

## Have a great week

# Murray Cod

**Welcome to Week Seven. The Student of The Week for Week Six was Marcus Hudson for making a few good choices. On Tuesday this week the Murray Cod class and The Goannas class will be travelling into Mildura to see the Special Forever exhibition at the Art Centre. They will also be going to Ten Pin Bowling and having a pizza lunch. Students need to remember to bring back their signed permission notes.**

**Michael Weinert, Wendy Searle and the Murray Cod class.**

Greetings everyone!  
 Another busy week in Goannas working on our persuasive writing ready for captain's speeches in a couple of weeks. We argued for the positive (or against in the negative) that "all school holidays should be banned" and "cats make the best pets". The students are getting very good at working together to come up with some great arguments and backing them up with examples or information, even if they don't necessarily agree with the topic statement.

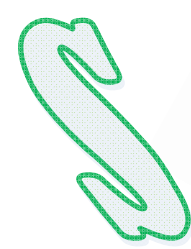

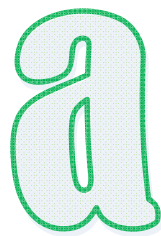

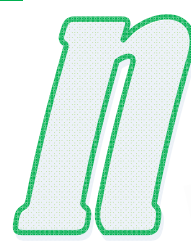

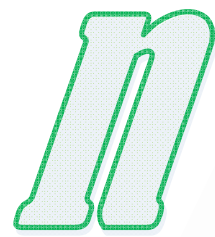

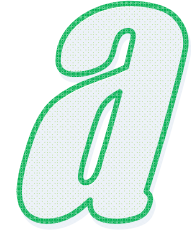

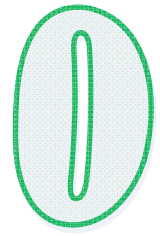

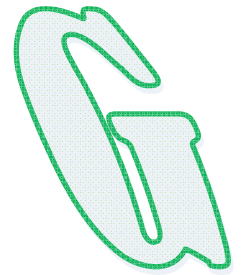

At assembly on Friday Nicholas and Nemarlia received Certificates of Achievement for being "STRONG" (in class on task and making good choices), and our Student of the Week is Shianne.

Thursday was a warm day so instead of going out for a game at the end of the day we got our creative caps on and did some box construction and made some battery-operated vehicles.

**DON'T FORGET !!!**  
 Tomorrow is the Primary students excursion to "Special Forever" and Sunraysia Ten Pin. All students need a signed permission note to attend, and a pair of socks to be able to bowl.
