Principal's Notes

Mr Twaddle was in Sydney to attend Rural and Remote meetings and State Conference. Mr Twaddle is on leave this week. We have the pleasure of Mr Glen Walker from Gol Gol Public School to look after our school while Mr Twaddle is away. If you have any issues about your child please contact the school as usual and Mr Walker will be able to assist.

Key Value this week: *Being Proud—respecting Everyone and Everything!*. In classroom Yarn Ups staff will be discussing the importance of this Value and looking for students demonstrating this Key Value in work and play. Thank you for the support and Yarns you have at home in helping our students understand the importance and real difference this Key Values makes to us all.

Attendance: Please remember to let us know if your child is going to be away. There is an expectation that students from the age of 6 attend school every day unless otherwise excused. If you have concerns about your child's attendance, please come and have a yarn with the school. Please try to have your child here for the start of each day .

Hats: Just a reminder to all that as a Sun Smart School and in Term 4 there is an expectation that everyone will wear a hat (preferably a bucket hat) when outside during play and sport breaks. Please ensure your child has a clearly named hat. Children without hats will play in shaded areas only. Our school provides Sunscreen for all students free of charge.

Bus Safety: The school has recently been observing students' safety on the school bus. We would like families to assist us with ensuring students keep safe while travelling to and from school. Please assist them by reminding them to stay seated on the bus when it's moving and how to enter / exit the bus safely.

Have a great week.

EMUS

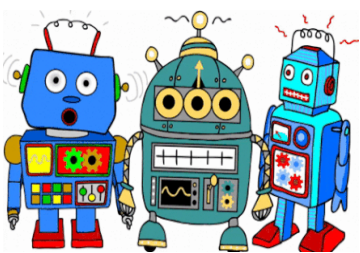

Competition time!
This week we looked at 'patterns in nature'.
Look at the pictures and write what you think they are next to them.
HINT—check out the EMUS display in the front office

EMUS students who hand in their answers will receive a prize!

This week we visited the Perch room for our Technology lesson with Mr. Stewart. Thank you to the Perch class and Ms. Smith for welcoming us into your room. We had fun learning and laughing with you all.

Have a great week from the EMUS team!

3 / 4 Perch

Welcome to week 4.

Hello everyone and welcome to another 'jammed pack' week!

On Friday the 20th of October six of our 3 / 4 students travelled to Wentworth to participate in a 'come and try' sports day. I would just like to say how proud I was with each and every student. They all got in and had a go, although they were initially a little nervous to be split into groups without their peers and class-mates. They all tried the sports and really enjoyed themselves whilst they were playing.

There were 8 sports and unfortunately only seven rotations due to time restraints. The sports on offer to try were: volleyball, football, league, tennis, golf, tee-ball, cricket and soccer. We had a sausage sizzle lunch, fruit box and icy-pole thanks to 'school funds'. A big thank you also goes out to our wonderful support staff that assisted on the day.

GOANNAS

A very busy week in the Goannas room last week with another visit from Mr Stewart and the robots, and even more challenging programming tasks.

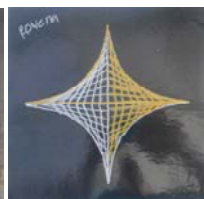

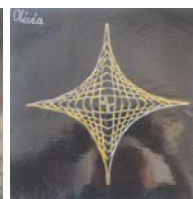

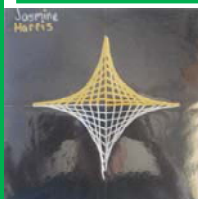

Friday morning at assembly I awarded Certificates of Achievement to Keely and Susan, and our Student of the Week is Lashara.

Friday afternoon we did some technical drawings using lines to make curves (a bit of magic there!)

Don't forget the Year 6 Farewell is on Wednesday 29th November

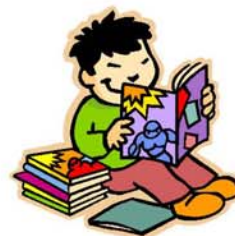

Have a great week, Fiona Turner and the Goannas team.
