Principal's Notes

Welcome to Week 7 of Term 4. This term is certainly getting away from us!!

Mr Twaddle continues to recuperate although is missing us all here at Dareton Public School and Mrs Webb will continue to run the school in his absence. Mr Weinert also continues to recover at home after a recent illness and stay in hospital while Ms Curtis is on leave this week. Even with Mrs Weinert lending a hand for the whole of this week, we are short staffed.

So, this week, due to our staff shortage, we have decided to combine all of our students into 3 groups across the school. Each of the three groups has a mixture of Kinder to Year 6 students. The students will work together on a number of interesting activities around the theme of Christmas, with literacy and numeracy also taking on a Christmas feel. We hope the children enjoy this approach to their learning and know there will be many opportunities for co-operative learning and sharing to take place.

We have a busy few weeks ahead of us beginning with the Year 6 Farewell Dinner next Wednesday evening. We are looking forward to sharing an evening with our graduating students and their families, as well as the entertainment which will be provided by our Year 5 students. Teachers are currently very busy finalising reports which will be distributed in the last week of term, after our Presentation Day to be held on Tuesday, 12th December.

As we are a Sun Smart School there is an expectation that everyone will wear a named hat (preferably a bucket hat) when outside during play and sport breaks. Students without a hat are required to sit in the shade during break times if they are not wearing a hat. Sunscreen is provided to all students as part of our Sun Smart program.

Have a great week.

Have a 'fabulous' week. From the EMUS team

This week in writing our 'learning intention' was to use describing words to make our writing more interesting. We read 'The slightly annoying elephant' and 'The Gruffalo'.
