Principal's Notes

Welcome to what is going to be another exciting and busy term. The year 6 students will continue to participate in transition to High School activities and later this term we have organised another two week swimming program.

Dates have been set for important formal occasions like Presentation Day Awards and the Year 6 Farewell. All families will receive a term calendar this week with all these dates marked.

As always student learning remains our core focus and I invite all parents / carers to continue to be involved in your child's education.

This week we have some staff at professional learning at Coomealla High School.

Mrs McGlynn will be in the office tomorrow, Wednesday and Thursday while Kendall and Corinna attend a course.

Jahzech and Wayne received Principal awards last week for staying on task with their learning.

Have a great week.

I look forward to seeing you all.

Donna Gold

Dareton Public School Attendance Challenge - Begins next Monday 29th October

Next week every student from Kindergarten to Year 6 will begin a six week Dareton Public School attendance challenge.

The aim of the challenge is for every student to attend school every day. I have attached a pamphlet to today's newsletter containing information regarding the challenge and some special surprises each student can earn throughout the challenge.

I have included some photos from the bowling excursion last term

'EVERY STUDENT! EVERY DAY! - 100% ATTENDANCE'

Student Hats

The weather is certainly warming up and with the warmer weather we are reminding students of the need to wear a hat while in the playground.

Please come and check lost property for your child's clothing - we have rather a large collection

50c

***We have small snack bags
of popcorn, chips, biscuits,
muesli bars and LeSnak
available for 50 cents each
from the front Office.***

Shanae is concentrating while playing a 'Dice and Number' game with Harry

Kangas

Term four

Week One

A busy first week.

Jazhech demonstrates what 'Safe sitting while in the world of the Book' looks like.

It was great to be back with our class mates.

Learning Intention for writing this week -

Using adjectives to make our writing more interesting. Examples - messy, fluffy, sniffed, snug and swirling.

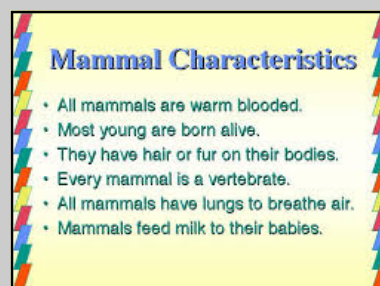

Perch

Welcome back to term 4. This week in literacy we will be working on creating a class book of holiday stories. We will also be following recipes to create muffins and biscuits.

Last week we started to investigate mammals. Students have learnt the characteristics of mammals. On Friday each student was asked to collect images of a mammal that they will add information to. As a class this week each student will contribute to creating a class power point about mammals.

In Creative Arts, this term we will be creating simple lino prints and also Aboriginal rock art. Later in the term we will be making some beautiful Christmas decorations.

Have a lovely week, Regards Mrs Shaddock and Mrs Mc Glynn.

Hello and welcome to Term 4. It really is hard to believe that we only have 9 weeks of school left for the year 45 school days, they will go past in a blink! It is great to see that the children have settled well back into the routine of school after the 2 week break. I managed to speak to a few families last week and will endeavour to talk to more this week about your child and their learning.

As always in a school, the next few weeks are quite busy. We have swimming later in the term, Year 6 transition to High school days scheduled, Year 6 farewell in early December, presentation day and once again this term the incentive program for children to strive towards. The attendance program has been a great incentive for all children to be involved in. It has been the topic of discussion in class as to what reward are next and who will be receiving them, the children love knowing what to look forward to receiving next.

Congratulations go this week to Sienna for being our "Student of the Week". Sienna has worked well this week and so have many of the other children. She has also shown a very positive and happy attitude towards her peers. Well done Sienna. The 2 achievement awards went to Dale and Domanic. The two boys have been trying very hard with their reading and spelling. Taylah, Kyarna, Zyeria and Chenille all achieved passing levels on Lexia which is a literacy program that we do during class time. Well done to all four girls.

We all hope that you have a fantastic week ahead.

Janet, Wendy and
Goannas
