Principal's Notes

Hello everyone

What a great first week back we had. All of our new students have settled in really well to their classrooms. This brings our enrolment total to 56 students. In each class we have:

Kangas = 25 / Perch = 15 / Goannas = 16

This afternoon, students from Coomealla High School will be coming to join in with Bro & Sista Speak lessons. It will be wonderful to have some older mentors in the school for our Senior boys and girls. This is the start of a series of activities where we will be forming closer links with Coomealla HS to help our older students make stronger links with the students and staff there.

Student Reports

Semester 1 Student Report Cards are ready to be collected from your child's classroom teacher. To get your child's Report Card, please make a time to meet with their teacher for 10-15mins so they can talk you through the results and show you their book work. Thank you to all the families that have already had their meetings.

Specialists In School

This Wednesday, local psychologist Mr Gerald Purchase will be visiting our school as part of our program to make access to specialists much easier for our families. Mr Purchase will be meeting with a number of students to help us to develop better learning programs for them. We also have the Vision team at school over the next few weeks, doing free eye checks with all of our students as well.

Dareton PS Celebrates NAIDOC Day

Next Tuesday, August 6th is our annual NAIDOC Day. I have heard that our NAIDOC event is amazing so I am really looking forward to it. More information will be in next Monday's newsletter and on our school's Face Book page (Dareton Public School)

BMEET Gallery Australian Record!

Huge congratulations to the team at BMEET for their Australian book of records biggest playable Didgeridoo in Australia official record. An amazing effort. Many of our students were involved with the painting of the didj.

Have a great week!

Mr Coleman
Principal

Calendar of Events

Tuesday 30th July	-Playgroup 12pm - 2pm -Scripture
Wednesday 31st July	-Sewing Ladies -Vision Screening
Thursday 1st August	-Playgroup 12pm - 2pm -Vision Screening
Friday 2nd August	-School Assembly 9am

It was lovely to see everyone back last week. We also welcome Tarlisha, Ethan, Roger, Elsie, Tawayne and Nelson to the Kangas class.

In Mathematics, the students in Kangas are working on Fractions & Decimals. As well, students will be learning about 3D Space.

In English, our 'In the World of the Story'-is The Coat. In Writing students, will be continuing to build their capacity to write more.

Over the next few weeks Kangas students will be working on their craft work for the 'Wentworth Show'.

Hello all and welcome to Term 3!

As usual we have a very busy Term ahead. We will have the school Athletics Carnival and the PSSA Carnival during this term . We began practicing for the field events at the end of last term, with the assistance from both of the Josh's, during our class P.E lessons. It was great to see that the students listened and were very willing to have a go at these practice sessions, with fantastic enthusiasm and effort!

Another annual event that we will be very busy with this term is the Wentworth Show. The children have already made posters to be put up around the community to advertise this event, that takes place on August 24th and 25th. Each student will also have work displayed in the 'School Section' in the Arts and Crafts pavilion. If you do attend the show, please take a few minutes to have a look at what your child has produced during school time for the show. They are always very excited and pleased with what they have made!

Talking about the show, tomorrow (*Tuesday the 30th*) The children, Wendy and I will be taking a walk to gather some gum-nuts and other 'natural' things for some other craft ideas for the show—weather permitting.

During Maths sessions we will be looking at fractions, patterns in 3D space maths and our surroundings, and whole number. Another very exciting thing last week at Dareton was the beginning of music lessons. ... I was excited to hear about this as unfortunately I was away from school on our very first lesson! I'm so looking forward to joining in this week.

Our very first Student of the Week for this Term was Jakoda. As most of the children have settled back into the routine of school, Jakoda was making great choices, actively involved with her learning and trying very hard with all given tasks. Our two achievement awards went to Ciera for also having an enthusiastic start to the Term and also Kyron who is a new class member that joined us last week.

Once again I would just like to take the chance to remind you if you would like to speak to me in regards to your child PLEASE don't hesitate to contact me at school so as we can discuss any problems you may have. I am looking forward to another busy Term and hope that your children are too.

Bye for this week

Janet, Wendy, Lisa and Perch

GOANNAS

TERM THREE

Great first week !

Welcome back Elsie, and welcome to Keira, both have settled in well.

Fractions have been the focus for mathematics along with a detailed recount of our holiday break for literacy. We are hoping some recounts will be displayed at the Wentworth Show. We have also been working on our Tie Dye Towels to be entered in the handy craft section of the show.

This week has seen the beginning on our music program. All students enjoyed themselves and are looking forward to developing their musical skills
