Principal's Notes

Hello everyone

What a magnificent day we had for our annual NAIDOC Celebrations last week. A huge thank you to Aunty Ros and Mrs Gee for organising the event. It was so good to have so many elders and community in our school, sharing knowledge, culture and stories. A big thank you to Aunty Rose, Aunty Colleen, Uncle Bill, Uncle Willy for their time and efforts and wonderful work with our students. The day was a huge success. We are hoping to embed more cultural lessons into our weekly timetable. We heard last week that we have been approved once again for Barkindji language funding, so hopefully this will be up and running in the near future. We are also in discussions with BMEET to start on country learning as well.

Staff Changes

Welcome back this week to Naomi Carr (AEO) who has been on leave. Ros Thorpe (AEO) will be on leave for a few weeks. It has been great to have Lisa Andrews step up into the AEO's position, replacing Naomi and now Ros.

Author Visit Stig Wemyss

This week we have a visit from Narrator and Author Stig Wemyss. He will be presenting to our students this Wednesday from 11:30am in the Perch Classroom. We will also have a number of other schools visiting for this event. Please contact the school if you do not wish your child to be photographed during this event.

Athletics Carnival Trials

This Friday we will start our Athletics Carnival try outs as we prepare our team to go to the Barrier Athletics Carnival on 30th August. Students will compete in long Jump, High Jump, Shot Putt and Discuss as well as Relay and Age Races.

Student Behaviour

Student's making poor behaviour choices continues to be a serious concern. Teachers will be ringing parents when students refuse to go to class, do their work and pick fights with other students. If required parents will be expected to attend school to sit in lessons with their children to ensure they co-operate. This is to try to avoid suspension. If a teacher or the Principal contacts you, please understand that we are trying to improve the situation for your child and that it is a last resort prior to suspension. The expectation is that parents will support the school. Any student that damages property or hurts a staff member will be suspended immediately. Our school will be a safe place for all the students that want to come and learn.

Next weekend is the Wentworth Show. The students have all been working hard creating various entries to display. Make sure you get along to the Show to see your child's entries. The show is on Saturday and Sunday 24th & 25th August.

Have a great week everyone.

NAIDOC DAY FACE PAINTING

This week, 'Our in the World of the Story' book is *The Jacket* by Sue-Ellen Pashley. Students are working on improving their neatness in handwriting by completing daily tasks.

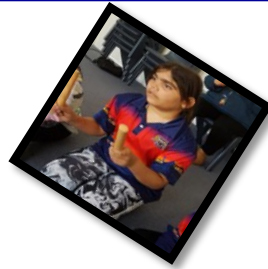

In mathematics, we are continuing to work on Fractions and 2 D shapes.

The students in Kangas will begin their craft work for the 'Wentworth Show'. The students will be making animal pompoms, sewing cards as well as a book mark.

Have a great week from the 'Kanga' team.

GOANNAS

Action packed week

Literacy - the focus has been on developing the skills to write an interesting narrative, which involves mind mapping characters, where the event happens, when the event happens, the problem and the solution.

Mathematics - great work has been happening around decimals, a difficult concept to understand. We are still investigating fractions as well as three-dimensional and two dimensional shapes.

Again music involved exploring various percussion instruments with students gaining confidence to express themselves through rhythm and movement.

Naidoc and Aunty Colleen - absolutely fantastic !

Week 4 Term 3

See Hear Feel Music— Tuesday 10-10:30am

Come along to our new '*See Hear Feel Music*' class in the SaCC room, with Alison from Sunraysia Arts and Learning.

It has been really exciting to see how many families are attended. Children explore musical instruments and have a go at music making. They sing and dance. Everyone has a great time !! All welcome

Filling Your Child's Bucket

This program is run in conjunction with the ROAR program through Inter Reach. We all know parenting can be challenging at times, this program is designed to support you and give families the tools to positively interact with their children to support their emotional regulation. Creative and fun activities and a nurturing and caring environment. Why not come along?

Every Wednesday 10am-11am

Playgroup with CHAC

Playgroup runs on Tuesdays and Thursdays from 11:00-2:00pm. We run a variety of activities including arts, crafts, guest speakers, and outdoor play.

This Tuesday we have special guest speaker Alli Collyer from Community Legal Education to talk about the services they can offer our families.

We are excited to have the library attending every Thursday from 11:30-12:00pm for "Toddler Story Time" last week's event was a huge success.

Lunch and transport is provided by CHAC

Nutritional Budget Cooking - Thursdays 10am-11:30am

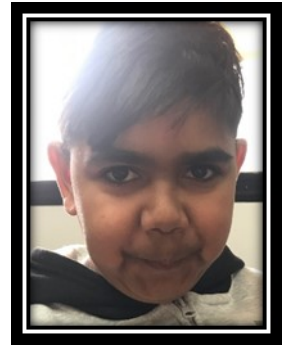

Cooking in a fun environment. Learning new recipes and /or sharing your favourite recipes. Limited places available. Everything is provided. Come along for a tasty morning of chat, fun and great food!
