Principal's Notes

Hello everyone

Congratulations to our six swimmers who competed last Friday in the **Zone Swimming Carnival** at Dareton PS. All swimmers competed really well in their races and represented our school showing our Smart, Safe, Strong & proud school values. **Go team Dareton!**

Welcome BBQ Breakfast

On Friday March 22 we will be having a welcome BBQ Breakfast at the school following our Whole School Assembly at 9:30am. We will be handing out all the students new (free) School Shirts on this day as well as discussing the forming of a **Dareton PS P&C** for the start of Term 2.

Positive Behaviour for Learning (PBL)

The most important thing to make our school and our students successful is that everyone makes good (positive) behaviour choices everyday, to make learning our first priority. Our staff are developing a plan for our school to make this happen. Our first focus area is the playground with the following rule being the first set up—**Play Fairly, Follow the Rules**. We will be introducing Playground Cards in the next few weeks that are given out to reward students for great behaviour choices in the playground. Our four **School Values—Smart / Safe / Strong & Proud** are written on the card in English and also in Barkindji. Thank you to Delise, Ros and Naomi for their help with this. We are hoping to introduce **Barkindji Language** lessons into our weekly timetable next term. We will let you know more about PBL over the next few months.

The Virtues Project

Our students are now participating in The Virtues Project where they are learning all about different ways to understand all the things that help to make school and life better for themselves and everyone around them. They learn all about how to think in a positive way and how to help them make better choices in the way they think and react. The first virtue they are learning is **Assertiveness**. Our School Chaplain is teaching this as part of his work in our school through our Personal Development & Health subject. We will be putting the Virtue of the Week in the newsletter each week so you can use it at home as well. Have a great week!

In Literacy, this week in Kangas our 'In the World of the story' book is- 'Amy and Louis.' All students will continue to do familiar reading with Lisa and Susan. Students also participate in daily small-group guided reading with Mrs Shaddock.

Our focus in independent writing is-writing on the lines. In History and Geography we are looking at places in our community and families.

In mathematics we continue to work on 'Trusting the Count'-number activities.

On Friday, Kangas students who have completed their learning tasks get to choose an activity such as play dough, puzzles, dolls, marble tracks, card games and computers. (Friday is the only day we use computers at the moment).

Kangas

Have a lovely week from Jennifer, Lisa and Susan.

Hello Everyone and welcome to Week 7.

I hope to find you all well and enjoying the beautiful weather that we has been continuing on. This week in class we will be continuing to read 'Fantastic Mr Fox'. The children have been enjoying the story and the activities that have gone along with the book.

Last Friday was the first science lesson that Goannas have had with Miss Curtis. They were all very excited to come back to class with their very own 'Lava Lamp' that they had made. When they returned to class, the students then wrote a procedural recount on how they had made their lamps. Friday was a big day also for a few very enthusiastic Goannas that made it to the Murray Darling Swimming Carnival. Well done to all of those students that went along and tried their very best on the day. Always remember ... **it's not about winning but how you 'play' the game!**

Our Student of the week last week was Ciera. Ciera has been making some much better choices in the classroom, she is very keen to do her work and especially her Multilit work with Mrs McGlynn. Well done Ciera! Our 2 achievement awards went to Lamyha for her wonderful reading with Mrs Weinert and Rhianna for her fabulous procedural recount writing when she wrote about making her lava lamp. Shivontae received the enthusiastic cooks award this week and a brand new award was introduced to assembly and 2 very lucky recipients received this. It was the sewing award. Students will be going to the Wednesday afternoon sewing sessions throughout the year with our lovely local sewing group. They will be taught skills such as needle threading, bobbin winding, stitching in both straight lines and curved edges. This is a wonderful opportunity for the children to learn more 'life skills'.

Once again we here in the Goannas room would like to wish you all a very happy and safe week ahead.

Bye for now, Janet, Lyn, Wendy, Lisa, Mrs McGlynn and the Goannas students.
