## Principal's Notes

What a fantastic time we all had last Thursday morning participating in whole school physical activities. Ball skills were the focus in many of the rotations and we finished the session with a whole school game of Shark Attack!

Thank you Mr Weinert for coordinating the session.

Following the whole school sport we had a healthy picnic breakfast altogether on the oval.

*Promoting positive attitudes towards physical activity and making healthy choices.*

### Y-PEP Visit (NSW Department of Education—Child Protection Program)

This week all students will be participating in activities to develop their awareness and understanding of Child Protection with the support of Y-PEP. All students were given an information sheet to take home containing information for parents and carers including content being covered. Thank you to Andrew who is the staff member from the Y-PEP team visiting our school this week to deliver some of the activities.

### Year 6 - Coomealla High School Whole Day Visit

Next Tuesday 13th November year 6 students will participate in a whole day transition program at Coomealla High School. Students will be required to make their own way to and from the High School. Ms Smith and Wendy will meet the students at the High School and will be there during the day to support the program.

Student participation in this day is extremely important.

Many thanks to Coomealla High School for coordinating the day.

### Attendance Challenge

This week we move into our second week of the 30 day Attendance Challenge. I am impressed to see many students on Friday mentioned as being on track to achieve the 100% Attendance goal.

Keep it up.

We want, 'EVERY STUDENT, AT SCHOOL EVERY DAY!'

**REMINDER:** We come to school tomorrow.

The Melbourne Cup Public Holiday is Victoria.

Have a great week. I look forward to seeing you!  
Donna Gold

### Calendar of Events

**Tuesday 6th November**  
**Thursday 8th November**  
**Tuesday 13th November**  
  
**Monday 26th November**

### Lost property

Please come and check for your child's clothes - as the pile will be given to charity next week if not collected.

# Kangas

Week Four of Term Four.

We are researching facts about  
Mini Beasts.

- Scorpions have eight legs. Scorpions have poison in their tails.
- Butterflies have four wings. They have lots of colours.
- Insects have six legs.
- Insects have an exoskeleton.
- Some insects eat smaller insects.
- Some insects eat grass.
- Caterpillars have lots of little legs. They turn into insects.

Learning is always fun

The STEM room was busy again. We learnt how  
to make a volcano using products from the  
kitchen.

Storms have heavy rain and lightning.  
There's dark clouds and the sky turns red.  
by Rhianna

When it is stormy it is windy, there is no sun and it is raining. When there is a storm, there are clouds and heavy rain. by Lilly

Storms are bad because they are loud and scary. My sister is so scared of the lightning.

Shine bright like a diamond and have a great week !  
from Mrs Shaddock and Mrs Mc Glynn

Hello everyone and welcome to week 4.

Firstly I would like to congratulate our achievement award winners and Student of the Week winners. This weeks Student of the Week is Taylah. She has certainly 'stepped up' into her leadership role and is a very reliable and diligent student.

Throughout the week she noticed that there were a few small chores that needed to be done during class time and just hopped in and did them without being asked to help. This shows that she is willing to assist others and can also 'read' when support is required. Well done Taylah. The two achievement award winners were Rowena for her improved attitude towards her peers both in the classroom and the playground and Domanic for his effort writing a story during class.

Last Friday the Year 6 students went to Coomealla High for part of their orientation to Year 7. The children had a wonderful couple of hours enjoying film making, theatre arts and team building exercise working together to do some activities. We were also very lucky to manage to have a sneak peek into the music room!

Hope that you all have a wonderful week ahead— Janet, Wendy and Goannas!
